The Mission Statement of the Kopernik Lodge

The Kopernik Lodge, an Intermediate, Special and Complex Care Facility, is owned and operated by the M. Kopernik (Nicolaus Copernicus) Foundation and is a non-profit Society of the Vancouver Polish Community which strives to:

- Provide a caring, homelike, and respectful environment for Catholic Polish descendants and other residents of British Columbia regardless of their ethnic origin and religious affiliation.
- Offer religious, spiritual and emotional support through the services of our Resident Catholic Chaplain as well as clergy of other religious denominations.
- Preserve and foster the Polish cultural heritage and respect the cultural heritage of all residents.
- Enhance the residents' quality of life through various activities and programs.

The Vision of the Kopernik Lodge

Kopernik Lodge strives to be a prosperous and vibrant organization that provides a range of complex and special care services to seniors of Polish origin as well as those of other ethnic backgrounds.

Values Statement

1. Spirituality: The spiritual needs of our residents and staff are actively recognized and supported, and an atmosphere for spiritual growth is fostered.
2. Dignity: The intrinsic goodness, worth, integrity and equality of each person are respected and esteemed.
3. Compassion: Gentle holistic care and support which emphasizes quality of life and well-being are provided to those in our care.
4. Culture: The Polish culture is preserved and fostered, and other cultures are respected.
5. Professionalism: The recruitment of professionally trained nursing and clinical staff, as well as other qualified staff who are committed and dedicated to resident care, is essential. Respect, fairness, appreciation and recognition of staff will be promoted.
